# The Dogist Wall Calendar 2017

## Synopsis

No one is better able to capture the spirit of a dog and evoke every intangible reason why we love them so than Elias Weiss Friedman, aka The Dogist. Here, adapted from his New York Times bestseller (with over 100,000 copies in print in its first two months of publication), is a new calendar featuring his most arrestingly beautiful, intimate, and joyous full-color portraits. With cones of shame, sharp dressers, puppies, and more, The Dogist Calendar is the ultimate gift for every dog lover.

## Customer Reviews

Elias Weiss Friedman grew up near Philadelphia, in a big, loud family of brothers, sisters, cousins, and dogs. Friedman created TheDogist.com in 2013; the wildly successful blog and Instagram feed now boasts more than 2.4 million followers. His first book, The Dogist, was a New York Times bestseller in 2015. Friedman lives in New York City, but his work photographing dogs takes him around the world.

So cute! I am a huge fan of interesting office wall calendars as conversation pieces, and this one is perfect for that! Plus, who can hate Mondays when you sit down at your desk and stare into the eyes of adorable dogs!

LOVEEEE this calendar! Nice and big but not too huge. The pictures are way too cute and the boxes are big enough to fill in multiple events for each day. :)

I adore this calendar. You get 3 add'l photos of cute dogs on top of the one that is featured for that month. Seeing all of these dogs puts a smile on my face, and would do the same for any dog lover. I did not receive anything in exchange for this review.

Early Christmas gift for my mom (since it begins in Sep 2016) and she loved it! All the pictures are adorable and in good quality.

Great photos and stories.

Adorable! Great photos, and lots of them. Love this wall calendar!

Super cute, great quality, would make an awesome gift!

Great calendar for the whole family.
