Customer Reviews

Looking forward, but it HAS NOT been sent to my Kindle yet! I

A interesting story of a period of history. It should remind Americans of what happen if religion becomes the main point in politics here. Maybe if 30 to 50 million people died here they would learn why the founding fathers put the 1st amendment in our constitution. They were closer in time to what happened in the 16 and 17th century (in Europe)
