Letters To A Gay Teen: Thoughts And Advice For Gay Teens

Synopsis

It's not always easy being gay. It's great but not easy. This is especially true when you are a teen. There are many things I wish I knew when I was your age and just about to enter the adult gay world. Much of this information and many of the tips and advice contained within would have made my life far easier. In this book I share my experiences as a young gay man in the big city so that you may benefit from my experience and not make the same mistakes as I did. I also don't pull any punches or hold back. I'm not going to lie to you or pander to political correctness. This is the truth as I see it. I'm trying to give you advice that you will use - I'm not going to leave out Grindr because its controversial as it's relevant to today's youth . I'm also writing with a sex positive perspective. A Few Of The Letters Included: You Want Me to Put What Where? Bisexuality 101 A Primer on Open Relationships Read This Before You Go on GrindrCommon Sense on STD's How and Where the Moral Case Against Homosexuality FailsWhy are Some Gay Men Camp?It Gets Better: The Science that Shows It
