Knock Knock is an award-winning purveyor of witty books and gifts. Our crackerjack in-house team creates humorous nonfiction and specialty journals from the ground up, and we also publish new titles from outside authors, bloggers, and other creative types.

I bought this as a stocking stuffer for my mom, who is really bad at lying. She thought it was funny. I never actually read through it, but I bought some other Knock Knock books that are similar topics. Good idea for a gag gift.

This is a cute funny book. Some of the quotes from the self-excusers and liars are hilarious and eye-opening. The design of the book is quite attractive. This a good gag gift for birthdays, Christmas or well-wishing prison term send-off party (or welcome back party too I suppose).

This is a gift, pretty cute. I thought it would be bigger for the price I paid... oh well
