Customer Reviews

"The Belcher family may go through some ups and downs, but there's one thing in their life that remains a constant source of stability - Tina's healthy appreciation of butts. Well, that, and the fact that Bob's burgers are so damn good. . . Concoctions like the Bruschetta-bout it Burger and the

Foot Feta-ish Burger can line your stomach just like they fill Teddy's and Mort's, and you can bet your butt they'll be delicious." -THRILLIST

"There are tons of clever burgers in this cookbook, and each recipe is tested by chefs so the recipes are the real deal. If you're a fan of the show, you're sure to find some great inspiration between the pages of this book. And even if you're not, you'll still love these burgers!" -Mission-Food.com

"Now fans can get the ultimate Bob's Burgers experience at home with seventy-five straight from the show but actually edible Burgers of the Day. Fully illustrated with all-new art in the series signature style, The Bob's Burgers Burger Book showcases the entire Belcher family as well as beloved characters including Teddy, Jimmy Pesto Jr., and Aunt Gayle." -ForcesOfGeek.com

[The Bob's Burgers Burger Book] offers more than 70 recipes based on the puns from the show, often paired with cartoons featuring the characters interpreting the themes of the burgers. Even better, though, are the pages that offer cartoons deconstructing the burgers. And it's a nice touch that each recipe heading comes with the season and episode in which the burger special appeared.

[The Bob's Burgers Burger Book] is what a good media tie-in should be. A real recipe for success." -A.V. Club

[The Bob's Burgers Burger Book]'s tone reflects the sincerity and enthusiasm of the show, peppered with the occasional well-timed statement of fact that functions as an unexpected joke." -EATER.com

"Everyone loves a burger, and a witty cartoon. So why not combine them, with the help of a real chef and some punning writers? [The Bob's Burgers Burger Book] is a real cookbook that should inspire you to do some real cooking. As the summer is coming, get out the grill and give into inspired cravings." -AppetiteForBooks.com

"Bob's Burgers is one of the funniest shows airing right now, helped along by spontaneous musical numbers, an amazing voice cast, and characters who actually like each other. [The Bob's Burgers Burger Book] is an absolute must for any culinary inclined Bob's Burgers fan." -ENTERTAINMENT EARTH NEWS

"Now anyone can create their own Burger of the Day from the award-winning show, Bob's Burgers. The 75 recipes come from the popular fan-created blog, 'The Bob's Burger Experiment,' and while the recipes names may be funny the results are seriously good." -OMNIVORACIOUS REVIEWS

"With colorful character illustrations, easy to follow directions and recipes like 'Bleu is the Warmest Cheese Burger,' 'Bruschetta-Bout-It Burger' and 'I Know Why the Cajun Burger Sings,' [The Bob's Burgers Burger Book] is half cookbook, half memorabilia and 100 percent bad dad joke." -ANIMATION MAGAZINE

"Bob [Belcher] is always coming up with new creations for his burger joint despite its being in constant danger of going out of business. Even if it does, you can make all of Bob's recipes yourself from The Bob's Burgers Burger Book: Real Recipes for Joke

Burgers." -MILWAUKEE JOURNAL SENTINAL "[The Bob's Burgers Burger Book] is dedicated to recipes inspired by the puckish imaginary names given to Burgers of the Day in the Fox animated series 'Bob's Burgers,' featuring burger-slinging Bob Belcher and his family trying to run a mom-and-pop fast-food operation. . . The result is a humorous but hands-on guide to offbeat burgers that will add variety to routine summer grilling." -THE WALL STREET JOURNAL "It's rare to see a TV cookbook that matches the charm and wit of its source material. The Bob's Burgers Burger Book manages to do just that, probably because it was written by creator Loren Bouchard and the writers of the Fox cartoon, which centers around the adventures of a family that runs a small-town burger restaurant. . . The takeaway: fans of Bob's Burgers will love it." -epicurious.com "The Bob's Burgers Burger Book gives hungry fans their best chance to eat one of Bob Belcher's beloved specialty Burgers of the Day in seventy-five original, practical recipes. . . Serve the 'Sweaty Palms Burger (comes with Hearts of Palm)' to your ultimate crush, just like Tina Belcher, or ponder modern American literature with the 'I Know Why the Cajun Burger Sings Burger.' -SophisticatedGourmet.com "Just because 'Bob's Burgers' is an animated show doesn't mean we can't get some real-life good food from it. Featuring 75 original recipes and illustrated in the style of the show, [The Bob's Burgers Burger Book] compiles recipes from blog 'The Bob's Burgers Experiment,' including the Bleu is the Warmest Cheese Burger, the Bruschetta-Bout-It Burger and more." -RedEye Chicago "The recipes in [The Bob's Burgers Burger Book] are easy to follow and delicious! We loved our burgers! . . . This book is definitely a must for any Bob's Burgers fan, whether you cook at home or not." -GEEKS WHO EAT

Loren Bouchard is the Emmy-winning creator and producer of Bob's Burgers, cocreator of Home Movies, and writer and producer of Dr. Katz, Professional Therapist. Cole Bowden started the cult favorite Tumblr blog the Bob's Burger Experiment, which has been featured in Entertainment Weekly, Vulture, Serious Eats, The AV Club, Nerdist, and NPR's food blog, The Salt.

This cookbook is better than it has any right to be. It's not only a gouda read, but it has egg-celent recipes. It's a great topic piece at patties, too. Make sure you pickle this up, you'll relish it for years to come.

We were watching the episode with the black garlic burger, and my husband was like, "Man. I want to try that burger." He picks up his phone, and a few

minutes later yells, "Jen! It does exist!" Two days later, I found this book on our front doorstep. Perfect tie-in to the show and tasty to boot! Well, mostly. There are a lot of burgers in here that I'd love to eat, and a fair number that I gave a bemused "Ewwwww!" to. I hear the intros to the burgers in Bob's voice as I read them. Perfect! They list the episode numbers on each burger so you can coordinate your food and entertainment. Nice. My only beef with it is that they call for 1 pound of ground beef for each recipe. That's four 4 ounce burgers. That would be skimpy, and Bob's burgers are always big inviting burgers, so I use 1 1/2 pounds each time for 6 ounce burgers. For realism. And burgers. Most of the burgers are very saucy. To decrease the amount of burger dragging across the plate to mop up all of the deliciousness, I'd recommend splitting the sauce between the buns rather than using it all up top as directed. Pictured below: 1) Poblano Picasso Burger p 17. A plateful of messy delicious! Beef, Monterey jack, tomato, and salsa verde. They have you broil the poblano and tomatillos. If you've never made salsa verde before, the jalapeño should be in there, too. And don't forget to salt that tomato slice. 2) Bet It All On Black Garlic Burger p 55. Awesome! It was everything he hoped and dreamed it would be. If you're new to black garlic, it should feel a little squishy in the package, but not defeated. 3) 50 Ways to Leave Your Guava Burger p 40. Interesting one. You make a BBQ sauce out of guava jelly, tomato paste, and rum. Niiice. 4) We're Here, We're Gruyere, Get Used to It Burger p 66. This is fantastic! It's like French onion soup in burger form. This one's winning so far! 5) Bleu Is the Warmest Cheese Burger p 110. Great burger! It's filled with celery and buffalo wing sauce, then doused in bleu cheese sauce and more buffalo sauce. It requires a lot of chips to mop up the saucy aftermath. Some others I have flagged to try: Fun to Eat at the Rye-MCA p 21 * Bruschetta Bout It Burger p 25 * Hit Me With Your Best Shallot Burger p 33 * Pickle My Funny Bone Burger p 38 * Chevre Which Way But Loose Burger p 61 * Onion-Tended Consequences Burger p 64 * Sweet Home Avocado Burger p 71 * To Err Is Cumin Burger p 73 * Shake Your Honey Maker Burger p 85 * Don't You Four Cheddar Bout Me Burger p 97 * Free to Brie You and Be Burger p 98 At the other end of the spectrum: Totally Radish Burger. Yes, it features radishes. Oh God. Do the Brussels Burger. Brussels sprouts. On a burger. Oh my God. If

Looks Could Kale Burger. Sweaty Palms Burger. Hearts of Palm Burger?! Oh God. The Jack-O-Lentil Burger. Itsy Bitsy Teeny Weenie Yellow Polka-Dot Zucchini Burger. Is This Your Chard? Burger. Oh my God! Enoki Dokie Burger. Sympathy For the Deviled Egg Burger. Oh. My. God. The Cauliflower Cumin From Inside the House Burger. Parsnips Vous Francais Burger. Beets of Burden Burger. Beets! Oh my God! Don't Go Brocking My Heart Burger. They have published a full page with steamed broccoli on a burger. OH MY GOD! Girls Just Wanna Have Fennel Burger. Rest in Peas Burger. Black eyed peas. Oh my God! On the fence: Poutine On the Ritz Burger, Human Polenta-Pede Burger, and Papaya Was a Rolling Stone Burger. I don't know. Curious, but concerned.

An amazing cookbook! Not only does it teach you how to make the perfect burger and fries, all 71 recipes come with instructions and descriptions just as punny as Bob's daily creations. Not only is it a great cookbook, it even makes for a fun coffee table book to impress your friends! Is absolutely a must-have for Bob's Burgers fans and food lovers alike! I plan on making at least one of these burgers a week. It is easily one of my favorite books, up there with "Fifty Shades of Chicken" and "Fifty Shades of Chicken: A Parody in a Cookbook" (which is also a must-have!), so don't hesitate to get this! Pictured is the "Sympathy for the Deviled Egg Burger" from Season 4, Episode 16.

For about the price of a burger, you can buy a book full of burgers. Tasty burgers. Checked this out at the library, tried a few and thought they were deceptively easy and tasty. The only logical conclusion was to skip Biff's Bluegrass Burger Bar and Brinery for a day and ordered this book instead. Best decision I made that day. The show is pretty good too, so that my have impacted my decision to some degree.

A neat book for Bob's Burgers fans but the recipes left me wanting more. Not that the burgers are bad or not a good book for some inspiration and fun, but I haven't found any burger yet that is a favorite or I've made twice. With all the burger recipes out there I would say the ones in the book are more average or standard when you can easily find better and more unique or over the top recipes searching around online. I don't regret buying it, but am still a bit disappointed after cooking several burgers from the book.

Got this as a family gift for the holidays, now it has turned into a great biweekly family night. We pick out a burger and watch Bobs together. Book has a nice variety of burgers, each with diagrams and easy to find ingredients. I love the extra information: what show it came from, quotes, ect. Perfect gift for a Bobs fan!

This is an awesome cookbook. At first, we thought it was weird that there were no condiments required for the recipes we tried, but we quickly figured out why after the first bite that they just weren't needed! We've had the Eggers can't be cheesers and deviled egg burger (can't remember the exact name off the top of my head) but they were both delicious! Our goal is now to get through every one of these recipes.

I loved that some of the recipes showed all the ingredients in image form stacked up in the proper order. Helps to visualize how to construct the burger. Some of the recipes are deliberately... not very tasty. It's based on a TV show where the writers probably didn't anticipate a fan-made cookbook. But the recipes that *do* make sense are absolutely delicious.
