# 500+ Jokes, Tongue-Twisters, & Fun Facts For Kids! (Corny Humor For The Family) (Volume 1)

## Synopsis

Over 500 jokes for kids, including hundreds of knock-knock jokes, fun facts, and tricky tongue-twisters that will crack up the entire family. This book is perfect for the young comedian and great for family gatherings or those long, boring car rides. A quick way to liven up the mood! In this book you will find: 250+ Q & A Jokes For Kids- What do you get when you cross a ghost and a tiger? A booger.- What did the kitten say when the vet gave it a shot? "Me, ow!"- Why wasn't the turkey at Thanksgiving dinner? Because it was already stuffed. 130+ Knock-Knock Jokes For Kids Knock knock. Who's there? China. China who? Are you China be funny? 70+ Fun Facts Did you know...the founder of Facebook is Mark Zuckerberg and his last name, 'Zuckerberg', means 'sugar mountain' in German! How funny is that? In Canada, Thanksgiving is celebrated in October and not November! 50 Tongue Twisters Say this 5 times really fast without laughing: blue poop hoop loop and this one without twisting your tongue: Which wristwatch does Rich want? \* \* \* From science to culture to just plain, everyday silliness, this book has everything! Watch your kids laugh, and then watch them learn. This book of hilarious jokes is recommended for ages 6 and up.

## Customer Reviews

"This has been the new favorite around our house!" "I think all the jokes are super smart and puts a

smile on everybody's faces." "...she is building vocabulary as well as getting a few laughs in the process." "It was hilarious watching the kids try the tongue twisters and the tricky words." "There are so many jokes I haven't heard that are in the book." "Spot on for a 2nd grader! If you have an aspiring comedian looking for jokes and fun, this is your book!"

Kids will have a blast sharing hundreds of one-liners, knock-knock jokes, tongue-twisters, and fun facts with friends and family! While laughing out loud, they won't even realize they're learning about fascinating topics that will inspire them to explore deeper. Q: What do you call two vegetables that are very good friends? A: Broccoli. Q: Why did the driver pinch his nose? A: His car had gas. Q: What did the sheep have for dessert? A: Baa-klava. From science to culture to just plain, everyday silliness, this book has everything! Watch your kids laugh, and then watch them learn.

This book is as awesome as the other ones by J.J Wiggings. My 2nd grader could not stop reading it. I think all the jokes are super smart and puts a smile on everybody's faces. Also some stars in my daughter's eyes. I can see her picturing herself telling every single joke to her friends. I love the fun facts. So very thoughtful and carries this book to a new level. This way no joke goes without a background information for the little minds. No question marks left! Great book to tag along on the road with you, playdates, picnics, recess at school. I also think great bonding time for parents and children. This was my honest opinion about this book. I was offered a free copy of it and I can tell that it is appreciated very much. My review is unbiased. Please take a peek at the photos of the pages attached!

This joke book is a cute one and my nieces and nephews liked it. I especially liked that when a joke would maybe be a little over the kids' heads, there is a fun fact giving a little bit of an explanation about the word. The kids had been telling the adults jokes around dinner so I had them read some of these. A lot of the jokes weren't all that funny and were quite a stretch or you had to think about it a while and try to figure out what it meant. I felt like there were a little more jokes about poop than I cared for. Some of them just didn't make sense: Knock knock. Who's there? Pizza Delivery! Took you long enough! (This one didn't even make sense because it's not the person telling the joke's turn to say something in order to say "Took you long enough" so when the you tell the joke, it says "Pizza Delivery Who" and then you don't know what to say next. The kids (ages 7 -10) seemed to like some of the jokes and tongue twisters but some of them really flopped so it's kind of a toss up

for me, which is why I rated it 3 stars. I was able to download this as a kindle book for free in exchange for my honest review.

This book is exactly what it says it is: corny humor for the family (jokes, tongue-twisters, & fun facts). I gave three stars because I had to sift a bit to find the funny jokes and some of them remind me of the jokes my little brother invented when he was five. Following that logic, younger kids might enjoy the more absurd jokes that are more of a stretch. There were several poop jokes I had to skip over that the book could do without and the tongue-twisters that are actual sentences are much better than the strings of random words. Some of them are pretty good practice. The puns and the were the best, in my opinion! I teach English classes to native Spanish-speakers and they loved the puns with double meanings that they could understand. Ex: Q: What did the kitten say when the vet gave it a shot? A: Me, ow! This collection isn't a literary classic, but we got some entertainment out of it. I would recommend this book to parents of younger children (5-8yrs) who can have some fun reading it on their own and sharing their favorites with family and friends. I was sent a free copy by the author for my honest feedback and unbiased opinion.

This joke book was a great way to get my granddaughter to enjoy practicing her reading and don't fuse the whole time. She didn't want to put it down till she had read them all. The reading of some was above her level but she didn't mind asking for help and even tried sounding out the words. I would recommend this joke book for young readers. She is already planning on reading it with her grandpa on her field trip tomorrow. So this grandma is very pleased with her purchase of this book. I received this item for free in exchange for an honest and unbiased review.

Lol these are the corny jokes that little kids can appreciate. I love how it includes explanations so someone who maybe couldn't understand the joke or the reference now would understand. There are a lot of little knowledge blips with fun facts along with the jokes as well. And you'll really enjoy the tongue twisters. My kid thinks a lot of those words are hilarious. Thanks for the silly read!

I bought this for my 7 y-o son for his birthday. For an immersing reader, the book would have been greater if it was illustrated, even if it was not in color. Unfortunately, there was no way of me knowing whether it was or was not, as only the cover pictures are renewable. I guess you can't get everything.

I got this for 7 year old nephew for his birthday! He doesnt put it down... 4 months later, we went on a vacation and that is the book he brought with

This was a gift for my 8-year old grandson. He loved it!
