Forever In Good Hope (A Good Hope Novel Book 4)

Synopsis

In the fourth installment of Cindy Kirk's beloved Good Hope series, a ruse with an old flame grows into romance. Delphinium "Fin" Bloom returns to her hometown with one goal: get the mayor's former flame to approve a location shoot in Good Hope. But business turns personal when the two become entangled in a fake engagement to comfort his ailing grandmother. For Jeremy, the romantic facade hits close to his heart. Still reeling from the way things ended between Fin and him all those years ago, he sees the fake engagement as an opportunity to get her out of his system once and for all. But instead of laying the past to rest, Jeremy quickly discovers he can't envision a life without her. Now engaged to another man, Fin had long ago given up on the dream of a life with Jeremy. Why is it, then, that her fake engagement feels more genuine than her real one? As the sleepy days of summer come to a close in Good Hope, will Fin and Jeremy give love a second chance? Or will the revelation of a devastating secret put an end to the fairy tale?

Customer Reviews

I was so excited to win this book, as I had already read the first three in the series. I enjoyed it as much as the other books. Fin accomplished a lot of growth, letting go of past pains and learning to finally reach out and lean on someone. Jeremy had a lot of issues that popped up that he was unaware of, but handled everything like the good guy he is. It was nice seeing Fin's sisters getting more involved in her life and Fin being there for the birth of Sarah, that helped her overcome some of her past issues. I hope Ms Kirk continues the series. The first four books were dealing with the Bloom sisters, but I would like to find out more about Hadley, even though I think I know what is going on with her. It would be nice to see HEAs for Lindsey and Eliza also. Does the community theater continue under Fin's leadership? There is a lot of room for more books. This is a nice quick read with each of the books able to be stand alones. I enjoyed the writing style, the dialog isn't stilted or unbelievable. I recommend this book.

The story is set in Good Hope and tells Delphinium's story. When Fin returns to her hometown in order to scout out the town for her boss's next movie she meets with opposition. Her boss proposes, then returns to Hollywood while insisting Fin remain behind in order to persuade people, mainly the mayor, Jeremy, to back the project. Because of a mix-up the town comes to believe Fin and Jeremy are the ones engaged. I really enjoyed this installment of the series. Of course we get caught up on Fin's sister's lives and revisit the small town of Good Hope. The setting only adds to the story's appeal with every day people you can easily relate to. I look forward to more from this author. Definitely recommend.

Thank Ya, Cindy Kirk for such an "AWESOME Continuation of My Favorite Town, of All time" Once again, I was Sooooo caught up in how my characters lives were progressing from the previous book.... ('Be Mine In Good Hope'), that it seemed as though I never left them for months till ya worked your "Magic" on 'Forever In Good Hope'. I'm HIGHLY RECOMMENDING this book ~ All emotions: Laughter, Sadness, Happiness, Anger, Much Love

It's Well..... Good Hope

The Good Hope series is a very heartwarming series. You will find yourself falling in love with each of the Bloom sisters as if you are one of them. I found this to be even more true with Forever in Good Hope. There are moments of laughter, sadness, happiness, and all the in between feelings we each feel in life. I found myself longing to reach out to Fin in offering the sisterly advice that she so desperately needed at times like I would for my own sister. This book pulled on my heartstrings and kept me flipping the pages to see where things would go next. This is the perfect book to cozy up with under a blanket and cup of tea to bring a warm, fuzzy feeling to your heart on the perfect autumn day. I received an Advanced Reader Copy of this book from the publisher and am voluntarily reviewing it.

I love this small town romance! Very sweet with lovable characters and a heartwarming romance - I really hope there is going to be more books in this series!

I lo end this whole series. Hope this is not the last. Would like to see more of the Bloom family.

I absolutely loved this book! All the familiar characters with some new twists. One character I loathed. I'm glad this ended well. Cindy Kirk needs to write faster!
