Clemson University: 2016 National Champions

Synopsis

Clemson head coach Dabo Swinney borrowed the mantra Embrace The Target from a May meeting with a major-league baseball manager. By August when the preseason football polls were released, it was apparent Clemson would in fact be the target the entire season at No. 2 in the nation, CU's highest preseason ranking ever. Opposing teams put in extra time in preparation for the Tigers, and it was clear from the first game that Clemson would get every team's best shot on the way to winning the 2016 National Championship. Clemson Football Communications director Tim Bourret provides the narrative illustrated by over 150 high-quality images by photographer Carl Ackerman, from the opening game against Auburn to the National Championship Game victory over No. 1 Alabama and the parade in Clemson. With a foreword by Coach Swinney, this special commemorative book will be a collector's item for years to come. 144 pages Full Color 12" x 10.875"
