## Customer Reviews

Irene McEwen, PT, PhD, is professor, Department of Physical Therapy, College of Allied Health, University of Oklahoma Health Sciences Center, Oklahoma City, Oklahoma, and is associate editor for case reports and deputy editor, *Physical Therapy*. A recipient of the American Physical Therapy Association's Dorothy Briggs Memorial Scientific Inquiry Award [Postprofessional Doctoral Level],

she has published research articles, clinical perspectives, and book chapters in the area of pediatric physical therapy and has edited books on physical therapy and occupational therapy in education environments.

Bought this for my spouse bc he works as a Physical Therapist and this really help him.. The book is just expensive but still okay..

This text is highly acclaimed at our tDPT program at Shenandoah University. I am excited to use it and build a new craft of research, writing and publication.

Great price! Would buy from seller again!

All came in as describe or even better!

The book arrived as I expected in the promised condition, thanks.

Love the cartoon on front, could identify with it. Still reading the book, but should be an asset to my writing.
