The Law Of Rewards: Giving What You Can't Keep To Gain What You Can't Lose

Synopsis

What motivates you? Do you ever long for approval? Would you like to hear someone you love and respect say, "Well done"? Do you yearn for wealth, influence, or pleasures? As Christians, we tend to dismiss these longings as superficial, even sinful. But best-selling author Randy Alcorn explains that God created us with these desires. It's all part of his incentive plan. In this fascinating look at God's motivational system, you'll find out why he wired us for rewards, what kind he offers, and when and how we can claim them. God doesn't guarantee power or possessions or pleasures in this world, but he promises extravagant rewards in the next. Discover how the way you live and give today determines the way you'll be rewarded in heaven; for eternity.

"Alcorn narrates his own work with skill as he examines why God intends believers to be "His money managers." With an effortless-sounding narration he builds a compelling case for a scriptural concept he calls the "Treasure Principle": Earthly investments in God's Kingdom bring eternal rewards. He also explains what the rewards are and how to claim them. Alcorn's ability to simplify and convey complex ideas about tithing, money management, and heaven's rewards is persuasive. While his ideas can be viewed as God's incentive program, he is quick to assure listeners that money management is linked to eternal rewards and not to salvation. Alcorn's easy-to-listen to voice affirms that those who store treasures on earth receive their reward on earth." G.D.W. © AudioFile Portland, Maine

Randy Alcorn is the founder and director of Eternal Perspective Ministries, a nonprofit ministry devoted to promoting an eternal viewpoint and drawing attention to people in special need of advocacy and help. He is the author of eighteen books, including *Money, Possessions, and Eternity* and *Safely Home*, a 2002 Gold Medallion winner for the year's best novel. Randy and his wife, Nanci, live in Gresham, Oregon. They have two grown daughters.

You can't take it with you, but you can send it ahead (by using it for the advancement of the Kingdom). Nothing but eye-opening revelation; one after the next, continuously throughout the book. This is one of my two favorite Christian writers. God has anointed this guy to prepare His people for the life after. I would read it if I were you. Read *HEAVEN* too. I give with a hope now, and that same hope makes me look forward to an opportunity to give again.

GREAT!

The book was short and yet very powerful, inspiring, and encouraging. It helped me to understand the concept of rewards. Believers will receive different rewards in heaven depending on what they do on earth. To read with another book written by Randy Alcorn, "Heaven".

A wonderful Biblical guide on where your gifts to God actually go and who benefits ultimately.

Well done! Loved the biblical teaching on an area that is not taught on much. Critical to embrace as believers in Christ so our lives matter this side of heaven and in heaven.

Great add on to "Money, Prosperity, and Eternity".

Alcorn give a solid basis for why we should give and find joy in giving.

Good book.
