The "How-to" Guide On Becoming A Certified Nursing Assistant: Find A School, Pay For Training, Prepare For The Exam, Get A Job, Jump-start Your Career

Synopsis

If you have ever thought about a career in healthcare, and specifically as a Certified Nursing Assistant, then this book is what you will need to set you on the path to realizing your career goals. The "How-to" Guide on Becoming a Certified Nursing Assistant gives detailed answers to a wide range of questions. It is ideal for those who:

- Are interested in a career as a certified nursing assistant
- Are inexperienced in the field of healthcare
- Want affordable training
- Want to know about employment opportunities
- Want an easy step-by-step process to follow

Almost everyone who wants to enter this profession could use some assistance along the way to becoming a CNA, and The "How-to" Guide on Becoming a Certified Nursing Assistant will provide exactly that, along with:

- Understanding what a CNA does
- Appreciating how jobs for CNAs differ from similar occupations in the healthcare sector
- Determining if your personality traits align with other CNAs
- How to select the training program appropriate for your needs
- What to expect from training
- Eligibility requirements
- Ways to pay for training (and even get it free)
- An insight into the competency exam process and tips on how to prepare
- Tips on getting a job and how to keep it.

The "How-to" Guide on Becoming a Certified Nursing Assistant is the last word in the pursuit of a CNA certification, and with handy links to state resources, you can use it as a reference long after you have passed the exam and have landed your first job. Read the book and gain the confidence you need to jump start your CNA career today.

Customer Reviews

I got the e-book for my girlfriend who is interested in becoming a CNA, so this basically is her review. It's very easy to read and gets directly to the point. She was interested in how much it would cost to get the training, and surprisingly, there are several options that don't involve a big monetary investment or a student loan. She (and so did I) got some good info on what the job entails. She finished the book in under 2 hours and gave it five stars because there are a lot of things about being a CNA she didn't know about. I'm glad I got it for her.
