Synopsis

Four Brutal Murders, Four Mysterious Churches, One Terrifying Purpose. A razor-sharp thriller. Buckle up for the second spine-chilling instalment of the Dark Horizon Trilogy, from bestselling thriller author Duncan Simpson. Driven by unearthly visions, a convicted killer escapes from a maximum-security psychiatric hospital. Days later a woman is ritualistically murdered in the grounds of a mysterious London church. When a Roman coin is discovered under the victim's skin, Vincent Blake - London's leading stolen-art investigator - is called in to assist the police with their investigations. A series of copycat murders, all carried out within the vicinity of connected London churches rocks the heart of the city. As the body count rises, Blake is thrust into a race against time to solve a centuries-old mystery that sets him on a collision course with a terrifying secret. Nothing can prepare him for what he has to face, because the churches are not what they seem - they have been designed by the Devil's Architect.

Interview with the Author QU: So, what makes the Dark Horizon series special? AN: My mission is to write action led thrillers that hit hard, right from the go. I write what I love to read. My top picks are usually thrillers and mysteries best sellers, and private detective novels. When I pick up a novel, I want to be entertained, that's a given, but I also want to learn something new. I love telling stories that are on the blurred edge between fact and fiction; whether I'm writing about the world of art crime, the Royal Society, Isaac Newton, Freemasonry, the Knights Templar or the history of London; weaving a contemporary crime thriller within layers of true fact is what gives me a buzz. The function of a best-selling crime novel is to give the reader what they don't get in their real lives. It's about escaping the ordinary and entering into a world of the extraordinary. I hope the Dark Horizon trilogy does this in spades. Each book in the series is designed to keep you turning the pages all night long.

QU: Why should readers give these books a try? AN: Because the Dark Horizon thriller series is an exciting, action-packed adventure. Just read the reviews and see why it has hit the top ten category bestsellers lists on Kindle for Crime Thrillers. Ultimately, readers who enjoy a taut,

nail-biting adventure with a plot that twists and turns will love the Dark Horizon trilogy. Come and join Vincent Blake, the damaged hero of the series that reviewers are describing as 'the British Robert Langdon.'

Customer Reviews

While I did receive an advance copy of this book in return for an honest review, I loved it so much that I bought the book as soon as it became available. It's a fast-paced story, well-written, and much more believable than some of its type that I've read. It's got twists that you don't expect, and while the different threads get tied up at the end, you know there's more to the story. Anxiously awaiting the final part to this trilogy!

I enjoyed this book as the characters are well written and never dull. Blake is an expert in art, stolen and forged, and antiquities of that may be obscure to most. He is puzzle solver and crime solver, especially when they are intertwined. Called on by the police to solve mysteries that require such attributes, he answers. You just have to read it and see him encounter real good and evil. A real Thriller!

Well written, fast moving and enough twists to keep you interested & not completely predictable. Now ready for the final book of the trilogy.

A book that keeps you wanting more time to keep reading! It's hard to put down because you must find out more information that the upcoming pages possess. If you have visited London the this book really comes to life!

Historical fiction at it's best. I will be looking for more novels by Duncan Simpson.

This book was even better than the first in the series. Very good storytelling. Looking forward to book three.

Super book. Exciting with lots of twists. Really worth the read.

Good action filled story. Strong characters. Good plot, with just a nice eerie background. Nice to read historical background. Second good story by Duncan I've read and enjoyed.
