Customer Reviews

A humorous take a on Norwegians. Don't take it too seriously, and it's a fun little "broad strokes" take on some of the common idiosyncrasies of Norwegians. Of course it does not apply to all.

Cute, funny, but surprisingly accurate portrayal of "the happiest country on earth". A fun, easy read.

He found all the hard and soft spots and did so in a gentle and semi-respectful manner. It was a fun read.

Not entirely my perception of the Norwegians but still fun reading. Feels up to date in many aspects and will definitely give you many ideas for conversation starters with the silent loner crowd ;)

Enjoyable reading and useful when planning a triptoNorway.

My Norwegian friend lent me a copy, telling me it gives a very accurate view of Norwegians. I enjoyed it so much that I bought my own copy, along with Guides for several other nationalities.

Fun, easy and quick read!

I loved it---humor with truths!
