Customer Reviews

Aiden Wilson Tozer (1897-1963) was an American Christian pastor, preacher, author, magazine editor, Bible conference speaker, and spiritual mentor. For his work, he received two honorary doctorate degrees. --This text refers to an out of print or unavailable edition of this title.

Good Book for every Christian. I also have his daily devotions on my iphone. The book was very powerful in the area of our responsibilities of being a Christian.

I bought this for my mother and she loves it. She can write notes in the book and highlight great parts.

Another fine work from this timeless author from another era, I have several of his books and enjoy

them all.

Early in my Christian life I discovered the writings of A.W. Tozer. This work was a challenge to me and what I seemed to be hearing in Church so often. The "faith alone" extremism in many evangelical Protestant circles is rarely challenged so forcefully as this little volume. Mr. Tozer continually reminded us of the cost of being a true disciple. His work continually reminds us of the fallacy entailed in the common notion that we can claim faith without demonstrating obedience. Later becoming a Roman Catholic has not dampened my thankfulness for the work this great teacher did in drawing me into a closer and real relationship with my risen Lord. Few modern evangelical authors will challenge you as A. W. Tozer does again and again. This little book will set you on the right course to following Christ with an authentic, dynamic, and overcoming faith.

Tozer's *I Call It Heresy* goes a long way toward explaining why over 60% of Americans call themselves "born again" while according to George Barna less than 10% could be considered Christian in the Biblical sense. Tozer is one of a few prophetic voices of the 20th century who saw the problem of "Sunday evangelism" before the heresy became mainstream. If you want to understand why "Jesus is my savior but not yet my lord" is an oxymoron, get this book! Patrick McIntyre, author of *The Graham Formula*
