God's prophetic voice thunders through time -- from Adam and Eve, continuing through Noah, Abraham, Moses, the Prophets, and then through Jesus himself. While apocalyptic prophecy is a dark cloud over the heads of unrepentant, rebellious people, at its core, prophecy expresses God's desire to powerfully bless and multiply his people, not to strike fear in their hearts. For God's people, prophecy is a word of hope, deliverance, bounty, and richness for their life and family. Hagee takes readers through the entire biblical narrative, showing how this powerful prophetic message flows throughout the Bible. --This text refers to the Digital edition.

Humans have forever been searching for a guarantee of the good life--from Ponce de Leon's quest

for the proverbial fountain of youth to our twenty-first century search for a mystical Shangri-La. But all to no avail! That's because the supernatural something we seek is not a magical place or an enchanted kiss that transforms the ugly frog into Prince Charming. The only supernatural ingredient that produces the good life became a reality thousands of years before Jesus of Nazareth was born in Bethlehem's manger. That supernatural something was introduced in the book of Genesis by God Almighty as He spoke and released the power of the Prophetic Blessing over the lives of Adam and Eve. The power and permanence of the Prophetic Blessing has been clearly charted over the centuries in Scripture. The Jewish people have obeyed the principles and long received the benefits of the blessing; however, its potential has been overlooked by most Christians for over 2,000 years. This transforming supernatural blessing, when spoken by spiritual authority, has the power to sculpt your future! And as you'll discover from Pastor John Hagee in this incredibly encouraging book, the words of this blessing carry the power to revolutionize your life--and the lives of your children and grandchildren--for today, tomorrow, and forever, so that you may all experience spiritual, physical, emotional, and relational prosperity.

This book is so good! Hagee shares the power of speaking God's word over our children, our families, our lives and future generations. I had a hard time at first reading through the first 1-3 chapters and was ready to stop reading it but instead I flipped to back 3/4 part of book to read and really started to like it. I've read more than 1/2 the book in 2 days- but not in order and have learned a lot. The first 1-2 chapters, to me, didn't seem like it was written by Hagee. Just didn't seem to fit his style or the way he speaks imho. But the other chapters, I can almost hear his voice as I read and I could follow along better. So if you get the book and can't get into the beginning - don't give up! God wants to bless our lives and we need to watch our words- Get the book. It's a keeper

What a well written book on the prophetic blessing, John Hagee definitely knows his stuff. I couldn't put it down. I learned things I didn't know and now I'm praying the blessing over my family and when I preach. He did write it assuming that it would be a man doing the blessing but I won't hold that against him, because I happen to know Diana Hagee is an excellent preacher in her own right.

I love to hear John Hagee and this book does not disappoint he breaks down in simple terms how to break a curse as well bless the people who you love. I recommend this book for all those who have questions about curses and blessings.

One is never disappointed in any book or message by John Hagee. The book is filled with useful information which provides an in-depth understanding of prophecy and what it means to bless someone prophetically. The prayers are comprehensive and easy to understand and very well written. I would recommend this book to anyone. One indeed feels blessed, simply to hold this book in your hand and to read the material within especially if you want a deeper biblical understanding on this topic.

Pastor Hagee shows you how you can speak healing over yourself and your love-ones in any given situation. He gives specific Scriptures that you can use for physical, mental, emotional, or spiritual healing. I highly recommend this book

John Hagee truly knows the Word of God. We have not because we ask not is absolutely true. God offers all his promises for the taking, but its up to us to know where to find them, claim their power and profess them over our lives and the lives of our children and loved ones. God is so very good to us.
