101 Facts You Can't Prove Aren't Not True

Synopsis

As seen on The Chive, College Humor, and Reddit's front page. Are you tired of the truth? Join the fact resistance that's caught the world by storm! Amuse your friends, fool your family, and make your nemesis look downright stupid! Dazzle that cute girl sitting next to you with one improbable fact after another, arousing her to impossible heights of ecstasy! 101 Facts You Can't Prove includes timeless classics and all of your favorite hits, such as: If asked, a cop legally has to tell you what he's having for lunch. The safest place to be in an avalanche is on its left. A word spelled the same backward, forward, and upside down is called a parallellodrome. Fabric getting darker when wet is just a coincidence. 101 Facts You Can't Prove is fun for the whole family!* *Not actually fun for the whole family. This includes illiterate grandparents and children incapable of understanding the subtleties of satire.

Customer Reviews

"A collection of facts and trivia too good to be true." -someone (probably)

Jeff Waldman has been involved in books; some of which have been considered and even acknowledged. His works have been read by dozens and are widely regarded as intelligible.

Excellent book! it was given as a stocking stuffer gift. The book was then passed back and forth between everybody. I knew the moment I received it that I should have bought more! Definitely worth the purchase.

Nobody can prove that I didn't read and love this book.

Got a chuckle and so did the few coworkers who have seen it on my desk.

Just as the world was starting to feel a bit upside down, this book righted every wrong. Jeff and Jason are connoisseurs in the art of spreading delight. May there be many more projects to come!

Cute little booklet!

Fact: This is the greatest collection of words ever put on paper in the entire human history.

The best book you will ever read. Accurately made up facts that will both blow mind. This book cured my asthma and helped me lose weight. It's also the perfect self defense weapon out there.

Most of these are just so random it's not even funny. I'm giving it 3 stars because I'm not mean enough to give it 2 or 1
