# More Decorative Napkin Folding (Dover Craft Books)

## Synopsis

For a fun way to turn a good meal into a gala occasion, delight your guests with the special touch of an artistically folded napkin. Besides adding eye-appeal to the table, ingeniously folded napkins will enhance the festivities, serve as conversation starters, and intrigue your guests. Decorative folds also serve such practical uses as holding a place card, silverware, party favor, dinner roll, butter dish or a flower. A rich selection of folds is illustrated in clear step-by-step drawings accompanied by easy-to-follow instructions, beginning with simple folds and proceeding to more elaborate and intricate shapes. A photograph of the finished napkin faces each page of instruction. Choose from 22 attractive folds including: Triple Fold; Tricorn; Tiered Lily; Elegant Simplicity; Sunbonnet Sue; Nut Dish; Silver Holder, Gourmet; Turban; Night Light; Double Jabot; Double Vase; and 10 more. Decorative napkin folding provides the creative host or hostess with a challenge readily and elegantly resolved by following the simple instructions and diagrams. With a bit of practice, you'll soon be delighting family and friends with expert folds that add flair to any table setting.

## Customer Reviews

This is a pretty easy-to-follow book with some creative napkin folds. I bought it after going to a dinner that had great-looking napkins and I realized I was always using the same fold all the time. It's a lightweight paper-back (but full size) so I've tucked it into the drawer where I keep all my napkins - it will be there to remind me the next time I'm setting the table for a nice dinner that I can

do something eye-catching. I'm sure I could find the same ideas on the internet, but that won't be right there in front of me when I go to pull out a set of cloth napkins. This product is worth it if you like to do something special for your table setting!

Im a hotelier and im collecting a books like this so im expecting something different, a napkin folding that that ive never seen before in my entire career, but some of those napkins folding that they have in this book is also there in my collection books and apps, im waiting for an update for more new folding if there is for this apps,,

Informative.

Fun to do for dinner parties.

Very very old ideas !! It would have been nice if it was in color. Not what i expected at all.

I had really hoped this book would be more dynamic....IF it weren't for te fact that it crossed several oceans to reach me I would ave returned it..

This book makes a great hostess gift.

The book gives relatively clear instructions and has corresponding drawings to help diagram. Makes for a great basics type of book. I had hoped for a few folding techniques that were more dramatic...it is still a fine book with many different folds.
