## Customer Reviews

Like the variety of recipes. Not too complicated instructions. Easy to find ingredients. Thanks for providing the great free book!

I was hoping to find some interesting new recipes in this book. I was disappointed that it felt like it was just thrown together and the recipes were not what I was hoping for.

Muchas gracias

Kosher meals and cool recipes to wet your appetite and show off for friends and family. The meals are easy, fun, and delicious.

Love the recipes..like the variety...very unusual but tasty

Good one, still working my way through this one. So far, so good

Great Kindle Read!!!

So not worth the price! There are many repetitive recipes (at least 4 for various kinds of Shakshuka), but not a lot of variety in this super skinny volume. Worse yet, there is a table of contents with page numbers for various recipes- but none of the recipe pages have numbers on them! Good luck with that.....Book looks like someone printed it from their home printer.
