Customer Reviews

As with the rest of Advait's books, they are quick reads, straight to the point, lots of photos to go along with the clear instructions on how to do each of the 25 Mudras for Women. He starts out telling you what is a Mudra & why you should be doing these every day and the benefits for your health. This a healing method using your hands from the ancient Indian Vedic culture.

I'm noticing significant changes while practicing and tremendous positive after-effects few days later by performing these mudras.

Very nice book. Recommended.

very useful and exquisite work. I never see a book on this particular topic. some of the mudras mentioned here also good for digestive system, which many of women have problem with. Well done, Advait. Wish to have 'Mudras for Men' .

Great book! I have learned so many good things from this author but the mudras are my favorite. So easy to do and so powerful. Thank you for sharing your knowledge!

These are mudras for women's health that I will use regularly. They are well described and illustrated. Mudras are subtle but powerful to shift and move energy.

I enjoy this book and all Advait's other books that I have purchased. Straight to the point and helpful at least to me. Thank you.

Love the way Advait writes his books. Clear, concise, easy to understand and use.
