Customer Reviews

This is the first version, I believe, and in an old type face. A fine replacement for my old score, which had fallen apart.

Great score. Much better than the critical edition. Doesn't get much better than an easy to read ricordi

Just as described. The score wasn't new, but was pretty much close to new and I use my scores big time, so just because it's 95% and not 100% is no issue.

V. Good

good

High-quality score.

The physical volume is 8" x 10" , and 1" thick, with 431 pages of score, preceded by synopses in Italian, English, German, and French; a list of roles; a list of instruments; and a brief table of contents stating where each act begins. If you want to find "La donna mobile," you need to go to Act 3 and start looking (hint: bottom of page 313). The text and notes are printed clearly, not occasionally faded as in some scores that I have seen. I would subtract half a star for the absence from the table of contents of the famous arias and the quartet, but it will serve my purposes.

My family is going to Italy in the fall and on a whim we decided to go to a real Italian opera. Rigoletto was listed on the internet at the opera house near our hotel, so we purchased tickets. I ordered this libretto to learn the story and take with me to the opera. It's perfect, very inexpensive and very light to pack. Arrived on time and in new condition.
