Shrimp: The Ultimate Recipe Guide

Synopsis

* The Ultimate Shrimp Recipe Guide * Shrimp is the most popular seafood in America. Have you ever gone to a restaurant, and thought, "Man, I wish i could make shrimp like this." Well now you can, and it is actually quite simple. We have collected over 30 of the most delicious and best selling recipes from around the world. Enjoy! - Did You Know - Shrimp is loaded with protein, vitamin D, vitamin B3, and zinc, and is carbohydrate-free food. The iodine in shrimp is good for the proper functioning of the thyroid gland which controls the basal metabolic rate. Shrimp are loaded with selenium. Selenium decreases the risk of cancer, including lung, colorectal, and prostate cancers. Take a peak at a few on the recipes inside! Customer Reviews

My family loves shrimp and this cookbook has recipes that are so easy and so delicious that I could live on shrimp only for weeks.

I like shrimp and now I have some new ways to prepare them. This ebook has recipes to use shrimp in quiche, chowder, as a main course or as an appetizer.

GREAT KINDLE READ!!!

Good

Just Great!

You get better directions and even more info such as nutritional info off the original sites. Just do a search on the topic "Shrimp Recipes" on the Internet. Or, some of the sites that have a large number of recipes collected. #1 "Coconut Flaked Shrimp" is really derived from "Coconut Shrimp" posted by LINDADAV10 around June 2, 2000, off the Internet site allrecipesDOTcom where Encore and all its fake authors derive their rip-off recipes. Here are a few of the goofy syntax errors in the book because of their attempts to hide their theft of IP property: The rip-off recipe says: " Fry shrimp in batches. Turn each shrimp once for 2 - 3 minutes or until golden brown. Using tongs, PLACE (emphasis mine) shrimp to paper towels to drain." The original recipe says " Fry shrimp in batches: cook, turning once, for 2 to 3 minutes, or until golden brown. Using tongs, REMOVE (emphasis mine) shrimp to paper towels to drain." You see, they only changed one or two words and that screws up the syntax. They believe if they change that one/two words in the previous sentence, they've covered their thieving behinds. But it doesn't. The recipe Encore has in its fake book was derived off the Internet copyright-protected site as identified above. And the same is true for all the other recipes in this fake book.

I like shrimp but I have to watch what I eat because of gout so I want the best recipes I can find when I indulge and this book has some really good recipes in it for shrimp.

I love shrimp so I was very pleased to find this book. I've only tried 2 recipes so far and my family

has loved them. Looking forward to trying more.
