I cannot say enough about these books. If you like to read, and read something that is not a Love Story, or a Suspense Thriller, but enjoy reading for the sheer pleasure of it, then this author is one to read. I am not going to go into the story, but to say I read this book for the first time back in the 80's, and when I gave them back to the person who loaned them to me, I didn't think much of it. 20 years later, I am Googling to find them, and thrilled when I learned I could get them from . This is a story, (and you have to read both books) that will stay in the back of your mind, and that you have to read them again. I have now read this story 5 times, and each time, I find something I didn't remember from the time before. , I cannot say Thank you enough for having them, as they are out of Print, and to You, Mr. Frank E. Peretti, Thank you for such a gripping and intense story, one that I have never forgotten, but enjoy time and time again.

Amazingly accurate! Many years ago when I was a pastor, I had about four copies of "This Present Darkness" and loaned them out to dozens of people. I was amazed at the number of people who said, "I felt like Peretti interviewed me for one of those characters!" Having them both together

makes this a great resource for opening peoples' eyes to the reality of our unseen spiritual struggles, and helps make Scripture come alive that deals with this.

This is the set that started it all - Christian Fiction at its very best. Spiritual warfare is real, and no one delivers critical insight into the battles we face better than Frank Peretti. No author after him has been able to equal his skill. Great for adult and youth as well. Far better to know the battle than go unknowingly into it and be at a loss.

It's an excellent book about spiritual warfare. The stories progress on both the natural plane & the spiritual plane throughout the books. Highly recommend if you want to understand the parallel spiritual world.

Sometimes fiction can be so good at expanding our thinking. This book made me think about spiritual warfare in a very real sense

Best book ever! I only like the first two, which are in this edition.

Creative, compelling, exciting! A masterpiece in Christian fiction!

Helped me overcome any fear of evil
