# Slave Revolution In The Caribbean, 1789-1804: A Brief History With Documents (Bedford Series In History & Culture)

## Synopsis

This volume details the first slave rebellion to have a successful outcome, leading to the establishment of Haiti as a free black republic and paving the way for the emancipation of slaves in the rest of the French Empire and the world. Incited by the French Revolution, the enslaved inhabitants of the French Caribbean began a series of revolts, and in 1791 plantation workers in Haiti, then known as Saint-Domingue, overwhelmed their planter owners and began to take control of the island. They achieved emancipation in 1794, and after successfully opposing Napoleonic forces eight years later, emerged as part of an independent nation in 1804. A broad selection of documents, all newly translated by the authors, is contextualized by a thorough introduction considering the very latest scholarship. Laurent Dubois and John D. Garrigus clarify for students the complex political, economic, and racial issues surrounding the revolution and its reverberations worldwide. Useful pedagogical tools include maps, illustrations, a chronology, and a selected bibliography.

## Book Information

Series: Bedford Series in History & Culture

Paperback: 240 pages

Publisher: Bedford/St. Martin's; First Edition edition (February 22, 2006)

Language: English

ISBN-10: 031241501X

ISBN-13: 978-0312415013

Product Dimensions: 5.5 x 0.5 x 8.2 inches

Shipping Weight: 4.8 ounces (View shipping rates and policies)

Average Customer Review: 4.5 out of 5 stars 9 customer reviews

## Customer Reviews

'This is the most succinct, convenient and accurate history of the Haitian Revolution currently available. It fills a significant gap in the historiography between monographs and general histories on one side and novels and creative literature on the other. The authors have produced an intelligent and highly useful collection of documents, many virtually inaccessible, and conveniently translated them for the English-speaking audience. Their ability to contextualize the events of the

revolution briefly is simply exemplary.' - Franklin Knight, Johns Hopkins University, USA 'This is the most amazing document collection I have ever read. It is emotionally gripping, intellectually stimulating, morally provocative, action-packed and full of points of comparison to histories of slavery and freedom everywhere. It has a terrific narrative flow and inherent pathos...This is a wonderful achievement for which all sorts of teachers will be most grateful.' - Evan Haefeli, Tufts University, USA 'This is the most succinct, convenient and accurate history of the Haitian Revolution currently available. LAURENT DUBOIS (Ph.D., University of Michigan) is associate professor of history at Michigan State University. His book *A Colony of Citizens: Revolution and Slave Emancipation in the French Caribbean, 1787-1804* (2004) won the American Historical Association Prize in Atlantic History and the John Edwin Fagg Award. He is also the author of *Avengers of the New World: The Story of the Haitian Revolution* (2004), which was a *Christian Science Monitor* Noteworthy Book of 2004 and a *Los Angeles Times* Best Book of 2004, and *Les esclaves de la République: l'histoire oubliée de la première émancipation, 1787-1794* (1998). John D. Garrigus (PhD, Johns Hopkins University) is Associate Professor of History and Advisor, Transatlantic History PhD Program, at the University of Texas at Arlington. A former Chateaubriand Fellow and Fulbright Scholar, he has published on pre-revolutionary Haiti in *Americas*, *French Historical Studies*, *Slavery & Abolition*, and the *Journal of Caribbean History*. He is currently working on a book on Saint-Domingue's free people of color."

A little slow, but very interesting and sheds light on a revolution that rarely gets talked about in history classes today!

Very instructive book

Important primary sources: I loved it! This was one of the few books that I had to read in college that I did not sell back to the school store.

I wanted a book to refresh my memories of a few things about the island im from . There are alot good info in this book..

I had to read this for my world history class and it is interesting and helps describe one of the most important slave revolts of all time.

it can in a timely fashion, it matched the seller's description and was quite affordable and a good read for those interested parties

I could not be helped but be moved by the documents in this book. The author did an incredible job of helping the reader understand the importance of San Domingue and the other French colonies by including letters, articles and transcripts. This was so important to my research about the nation that would eventually become Haiti and other colonies that found themselves in similar circumstances. These accounts tell the real truth about life in the French colonies and the resolve of the inhabitants.

A great reader on the Haitian Revolution. It is cheap, short, and has a great summary of the revolution at the beginning, so it is perfect as a supplementary reading in classes on slavery, Atlantic History, Haitian history, etc.The documents are well chosen and representative. John Garrigus is a thorough researcher, and it shows: the documents are taken straight from the French archives.
