My Kind Of You (A Trillium Bay Novel Book 1)

Synopsis

Wall Street Journal bestselling author Tracy Brogan is back with a sweet, hilarious series about family, forgiveness, and what it means to go back home. Emily Callaghan never expected to spend another summer on Wenniway Island. Yet here she is, back in her quaint northern Michigan hometown of Trillium Bay, divorced, flat broke, and dragging along her precocious twelve-year-old. It's a simple arrangement: Emily, a house flipper, will renovate one of her grandmother's rental properties in exchange for a much-needed loan. Once a wild child, the reformed Emily also hopes to remodel her reputation and show her family she's all grown up. But coming home is never simple. Emily's dad is more distant than ever. Her younger sister is dating a much older man, and Emily's worried it's a mistake. The cottage remodel grows increasingly daunting. And then there's handsome out-of-towner Ryan Taggart. Ryan has his own family drama. A smart, ambitious land developer, he's come to Wenniway to rescue his father from the grips of a new girlfriend and protect their family business. But he's quickly distracted by gorgeous, witty Emily Callaghan. There's no denying the attraction between Emily and Ryan. But will their conflicting interests destroy any chance at love? Or will Emily finally get the chance to rebuild her life and repair her heart?

Customer Reviews

If you want a story that includes laughter, maybe some tears and love, this book is a must read! Ms. Brogan always introduces us to characters that are so believable and so much like ourselves or someone we know. I highly suggest to grab this book and head out into the sunshine, put your toes in the water of Trillium Bay. Just a warning... if you snort laugh do not read in public. I dearly love this author, she has a way of writing a story that is an absolute pleasure to read. I always anxiously await her books and am disappointed when they are finished so I usually reread and order the audible versions. She also needs to write faster.

Gigi's words, if I remembered correctly. I really like this family. I love this island. Everyone so be so lucky! I'm looking forward to many more books! This was a very enjoyable read!

I'm not a big fan of romance novels, but figured I'd give this one a shot. Tracy Brogan did a great job sharing her characters with me. I clearly picture each of them in my mind. I laughed at the image created of Emily & her daughter trying to deal with being stranded in a tiny, dirty local airport. Emily's return to her hometown on the island was drawn so clearly for me, I felt like I was peeking through a window watching Emily and Chloe grow, change, relax, and build new and wonderful relations with both family and friends. I've set myself a reminder to begin watching for Trillium Bay novel #2 so I can enjoy these characters even more! Write quickly, Ms Brogan!! :-)

Loved, loved, loved this book! Hope there will be many more to come. I loved the characters in this book. I can't wait to see what else awaits them. Even towards the end you still never know if Ryan and Emily are going to get together it was fantastic ! Hats off to Tracy Brogan she is an excellent excellent author I love reading her books!!!

It was hard to believe the relationship between Emily's younger sister and Ryan's dad. Kind of icky actually. But I did enjoy reading about the island and it's history.

Yes there is humor in this book but that doesn't make up for the lack of connection between the main characters. What about the younger sister? She was big part of main subject of the book The readers were left hanging regarding what happened with her relationship with Tag. Not the best of her books.

MY KIND OF YOU is a wonderfully entertaining read anywhere kind of book! However, since there are quite a few laugh out loud moments, be prepared too get funny looks from people if you choose to read the book in public! But seriously, MY KIND OF YOU is quite pleasurable read. I. Loved. It! Read it!

No power last night so read the entire book on my reader. I laughed, giggled, and thoroughly enjoyed it. I liked the way the characters interact, the way the dialogue is written, and the island of Trillium Bay. I am from Michigan and snickered at the references to Mackinac Island. It's a light, fun read.
