Part of the Global Studies: Latin America & The Caribbean series, Costa Rica: A Global Studies Handbook is a solid educational text written for students, travelers, businesspeople, and anyone

interested in gaining a better understanding of this beautiful nation. *Costa Rica: A Global Studies Handbook* is divided into a narrative section (which relates the history of the land along with information about its politics, institutions, society, and culture) and a reference section (which has a timeline of key events in Costa Rican history, a listing of significant Costa Rican organizations, and entries of key Costa Rican historical figures, places, and events). An annotated bibliography and an index round out this down-to-earth, highly readable primer.
