Perfect

Super!

I made a project out of the facts in this book for a 50th party

Fun stuff that I will use for my class reunion. It was a great trip down memory lane.

Went through and highlighted areas of key interest and made some notes to make it more personable

I bought this for my husband's 50th birthday. While we were looking through it, we noticed that the middle pages reference the year 1955, not 1967!

THESE ARE WONDERFUL! USED AS DECORATIONS AT MY SISTER'S 50TH BDAY AND THEN GAVE AS A GIFT FOR HER!

it was a gift that was very much enjoyed
