"Dr. Yang, Jwing-Ming has given us a very lucid presentation of the ancient practices of Chinese Medicine. It is a most worthwhile contribution to the bridging of Eastern and Western medical traditions." (Herbert Benson, M.D. Harvard Medical School, author of *The Relaxation Response and Your Maximum Mind*) "This profound book is definitely recommended reading for a multitude of reasons, including it's great contribution to the understanding and cultivation of Qi utilizing obscure and elusive techniques developed in antiquity through enlightenment."
