Pittacus Lore is Lorien's ruling Elder. He has been on Earth preparing for the war that will decide Earth's fate. His whereabouts are unknown.

I used to buy the novellas in ebook for and then get them as the paperback collections.. Starting with Rebel Allies (collection #4) I decided to stop wasting my money on ebooks. At \$3.99 a piece the three stories that make up a collection comes out to \$11.97 vs. \$7.66 for paper that can be read in any light, power or no power. Having said that, the three stories that make up "Zero Hour" are as good as any in the series and better than some. These stories take place pretty much between the series novels "The Fate of Ten" and "United we Stand" and should please just about any "I am Number Four" fan.  $\tilde{A}f\hat{A}\phi\tilde{A}$   $\hat{a}$   $\neg\tilde{A}$   $\hat{A}$ [too bad from page 345 on is promotional filler, most of it excerpts from (and ads for) other books in the series!

Great book. I always love the in-between stories. More book series should have novellas like this one.

Good story for elementary readers.

Ok I loved the book series. These novellas provide the back stories to many of the characters in the book series. There are 3 novellas per book. I won't give away anything about the stories, just that for fans of the series they are a must read.

The I am Number Four series has been a great series and this book has kept up to standards. It is an amazing book of short stories that fill in a lot of information on the series

My daughter LOVES these books! She's a mature 11 year old who reads at a 10th grade level.

Ordered for my son, Good price, and just what I ordered, recommended for anyone.
