Once again you out did yourself. I can't express myself how much I love your books. I'm hopeless devoted to your books and I can not get enough. Please keep these going.

I am giving a five star ratings to the "Shade of Vampire" series and its twenty-four outstanding supernatural creative storytelling of author Bella Forrest. She alone held me captive for one whole month reading this series. Upon completion " I'll say he'll yeah to a worthy read". Reader's beware once starting this series, you are in for long nights and cliffhanger endings. Which cause a implode of your need to know impulse. Ok, just when I think I would be able to read the dragon series, there's novel twenty- five.

It wasn't 1 of the stronger books , she's wrote but the story was still imaginative with a happy ending. I guess I just expected more spectacular for the end of River and Ben's stories after all the turbulent times they faced. I feel the same of the conclusion of Rose and Caleb's stories as well though. Still a fan of The Shade !

Bella, you always send us on a wonderful ride through worlds and lives that are so wonderfully written and out of this world. Love the characters and each of their stories. It feels like we are living it with them and that should be with every experience with every book you read. If anyone wants to get into a series that takes you on a journey and make you feel at the same time, READ THE A SHADE OF VAMPIRE SERIES. ABSOLUTELY FREAKING LOVE IT!!! CAN'T WAIT FOR THE NEXT RIDE, BELLA!!!

This was a great ending in the saga of Ben and River, a wonderful continuance to the Novak's, and as always leaves you wondering what's next for the Clan. Bella Forrest us a wonderful writer with the ability to create the big supernatural family. That's is what her readers and her are, are a family and we enjoy every minute we have spending time in the Shade. Welcome any newcomers to our island called the shade and hope you enjoy being part of the Shaddict family.

Bought this for my son. He has read all The Shade of Vampire books to date and will continue as the story lines are fantastic! Bella Forrest has become our favorite author!

This one is soooo action packed and awesome that I had to read it twice to make sure I didn't miss anything!!! I love, love, love this series!!! Bella Forrest is such a fabulous author and so amazing about responding to her fans (Shaddicts)!!! I can't believe how she never runs out of new ideas and twists and turns! If you haven't gotten hooked yet you definitely need to! You won't read anything

else like it!!!

Great great great book!!! Pleasantly surprised to have Theon's story wrap back into the storyline. Eagerly awaiting book 25!! I almost panic with the thought of the series ending though I suspect that it will eventually but until then keep them coming.
