## Customer Reviews

It was for a fellow Christian friend and she just told me this morning in church how much she likes it. Money well spent.

This is a well crafted book, with clear type and an easy to read layout. I appreciate the way he has been careful to distinguish between promises that do and do not apply to present day believers. But I fear his dispensational slant has eliminated too many promises from the mix that do apply to believers today. For example, at the beginning of the book he states that "Promises made to Old Testament Israelites are generally not promises to people today"...but if one looks at 2 Cor 6:16-18

we find Paul quoting several OT promises made to the nation of Israel (from Ezek 37:27, Isa 52:11) and then applies them to a predominantly non-Jewish congregation as promises that belong to them ("Since we have these promises" 2 Cor 7:1). Having said this, I have found the promises that he does include well organized and helpful. I have incorporated this book into our family devotions around the dinner table.
