# Tangier Travel Guide (Unanchor) - One Day In Africa - A Guide To Tangier

## Synopsis

One Day in Africa - A Guide to Tangier

Interrailing around Europe but yearn for somewhere completely different to end the trip? Trekking around southern Spain and tired of siestas? Or bored of your weeklong beach holiday on the Costa del Sol? Then Tangier, the gateway to Africa, is the destination for you. Tangier is surely one of Morocco's most enigmatic cities - an exhilarating, endlessly fascinating little city undergoing enormous changes. With the strait separating Morocco and Spain a mere 14 km, and the ferry between the two taking just 35 minutes, Tangier is the ideal place to experience North Africa for the first time. So get your hands on this One-Day Tangier itinerary and prepare yourself for a glimpse into a fascinating culture, country and continent. What's inside this Tangier, Morocco guide? This itinerary will guide you through the city in an accessible and engaging way, from boarding the ferry in Spain right through to your trip back in the evening. You will see all of the Tangier's main attractions, gain a thorough insight into its history, veer off the beaten path to some intriguing cafés and museums and take an excursion to the point where the Atlantic and the Mediterranean meet. The itinerary provides crucial advice on how to avoid scams, shop happily and eat well, all within a comfortable, flexible schedule that will allow you to enjoy the city's charms. With detailed maps, local tips and vivid photos, this guide will set you on course to one of the world's most captivating cities. Most importantly, most of the attractions are free!

What Tangier highlights are included:- The medina (the old part of the city) in all its glory, with a meandering walk from the Sultan's old palace down through crumbling alleys, souks and courtyards to the main square.- Mansions, theatres, villas and consulates which all played host to the city's utterly convoluted recent history (the inspiration for Casablanca), and now offer the visitor an enchanting maze of streets to explore.- Legendary buildings, bookshops and cafés synonymous with the Beatnik cultural movement and an opportunity to experience the city's unrivalled literary tradition.- Recommendations for places to eat, how to bargain in the bazaars and how to make the most of your short stay in Africa. And much, much more:- The Hotel Continental and its dazzling mosaics- The Petit Socco and its animated cafés- The Cinema Rif, the city's cultural centre- Two charity groups, to help you get a balanced view of the city- An obscure art gallery- An oddly-shaped cave- Lots of books - And an obligatory mint tea, served with mint leaves and as much sugar as you want!

If you decide to stay for longer, there's also advice on hotels and websites and booklists for further reading. Guarantee At \$3.99, the itinerary will pay for itself the first time you follow the advice on dining and traveling destinations. If you are unhappy with the itinerary for any reason, provides a full refund. So what are you waiting for? Grab this indispensable guide to Tangier, Morocco and travel with the knowledge that only local experts can provide.

## Customer Reviews

As someone whose been to Tangier and a few different places in Morocco I thought this guide really hit the mark. Its easy to read and has some very useful features like the interactive maps, live links and "locals' tips" that make it quite accessible. I thought the writing had a quirky charm with a nice turn-of-phrase giving you nice gems of info but not overwhelming you with unnecessary details. You're given some interesting facts about the city which range from Cinema to Literature to History, facts that you wouldn't be privy to if you just took a leisurely stroll through the streets by yourself. The "locals' tips" are quite witty at times but speaking from my experience, quite accurate. However its the info and tips at the back in the Appendix that you will find invaluable if you haven't been to Morocco before. I probably would have got a lot more from my trip if I had read a guide like this one before I went. If you follow the advice in this guide I think you're much more likely to discover a more charming side to Tangier whether its for a one day trip or as an introduction for a longer stay.

A very good book to take on a day trip. We thoroughly enjoyed our recent trip to Tangier and this book helped a lot. Obviously written by someone who knows the city well.

Very helpful. I especially liked the links to maps.

Short and helpful. Many cruise ships stop at this port for a day and it was helpful to have this available instead of having to purchase a book that included all of Morocco.
