The Grass Is Always Greener (Belles)

Synopsis

Who says you can't choose your family? Their shared sweet sixteen party is just around the corner, and half sisters Isabelle Scott and Mirabelle Monroe are ready to cut loose, even if they are the daughters of a prominent public figure. So when Izzie's estranged aunt, Zoe, breezes into town unannounced, it just might be the change that the Monroe family needs--or not, depending on who you ask...Happy with her cute surfer boyfriend and a group of great girlfriends, Izzie has no interest in getting to know yet another long-lost family member. But Mira, who's on a mission to try new things and meet new people--a handsome brooding painter in particular--is drawn to Izzie's artsy aunt, who seems to be the polar opposite of the uptight Monroe family. As the girls try to negotiate the unexpected paths their lives have taken, Zoe's laid-back attitude eventually charms them both. But when Zoe offers Izzie the chance to leave Emerald Cove and start fresh in California, Izzie and Mira are faced with bigger changes than they expected.

Customer Reviews

Praise for Belles: "Belles is a must-read, full of scandals, sisterhood, Southern charm, and secrets!" — Sara Shepard, #1 bestselling author of the *Pretty Little Liars* series on Belles

"Proving Southern belles can backstab with the best of 'em, Jen Calonita weaves a soapy tale that keeps you guessing from beginning to end." — Kate Brian, New York Times bestselling author of the *Private and Privilege* series on Belles

Jen Calonita is a former magazine editor who has interviewed everyone from Justin Timberlake to Reese Witherspoon. She lives in New York with her husband, Mike; sons, Dylan and Tyler; and their Chihuahua, Captain Jack Sparrow. She invites you to visit her online at www.jencalonitaonline.com.

I really did like this book. It was full of excitement and secrets that were soon to be discovered. I really hope that Jen Calonita keeps going on with this series. If she doesn't I don't know what I'm going to do. I mostly read books that are full of secrets, mystery, and romance and this was definitely the book for me. I could not stop reading this. If u ask me, the book was sort of short but I give Jen a lot of credit. I loved how Mira found a new guy to be in her life. That was a shocker. There was only one thing that I didn't exactly like about this book. A lot of secrets were revealed but there was no REAL drama between Izzie and Brayden. I really wanted to see some real problems that could've happened in their relationship. In the first two books, there was so much drama between them that I would literally crawl up in a ball and dare myself to read more. That's what I was expecting from this book. But it was a great book on the other hand. I did expect more with this book but it was still good. I would recommend anybody to read this series and I guarantee you that you will love it as much as I do!!!!!!!

If you loved "Belles" and "Winter White" you are sure to love "The Grass Is Always Greener". Izzie and Mira are about to be 16 and a lot of things have changed their sophomore year in High School at Emerald Prep. Keep reading the "Belles" Series to find out!

I absolutely loved this book this is my second time reading it and I was still thrilled with every twist and turn.

This book is truly based on family and how to go through hard things. This book is phenomenal and I definitely recommend it. All these crazy family affairs and secrets are kept and the huge secrets about Zoe Lauren Scott. Please if you're unsure about this book, take my advice and READ IT!!! It's amazing. For age I rate this book: 12+

There needs to be another book!!! PLEEEASE!!!! really love these books but I want to know how the sisters are after they turn 16!

I loved this book because it has the right amount of drama with out being over the top and there are many sweet moments

This was a great finale to the series. Every single page made you want to read more

This is a great book but we need at least one more story. This is a book that I would have in my classroom library.
