Wendy Alec was born in London, England. Coming from a background in the arts and media, she is a prolific writer. Wendy is also the creative director of a leading global Christian broadcasting network that she co-founded with her husband.

In this Book 3 from the Series 'The Chronicles of Brothers', with satan and his demonic cohorts now..., fully entrenched in evil, violent hatred and bitter, selfish resentment against the Lord, Michael the Warrior Archangel and his Heavenly Host and the whole of mankind, satan implements a diabolical plan which he has been nursing into fruition, for ages. Which involves the wealth of the

wicked, science, innovative and top secret information and technology, deception, witchcraft and occultic ritual practices among satan-worshipping, secret societies and serial murders from within several generations of one family. Like the accursed snake hiding under a rock waiting to strike and impart his deadly venom into the ones whom the Lord loves... the human race, whose heel would dare to bash his ugly head (Gen.3:14-15 KJV), satan targets three brothers. And afflicts them with drugs, alcohol, pornography, freak car "accidents", hypnosis, mind control, psychological torture and all sorts of weird, unexplained, calamities that plague them until they obey or else, die. And with the others, in order to bring about his malefic scheme into the sphere of reality, he lavishes them with false prosperity and deceptive, worldly perks and media notoriety. Along with healthy doses of the seducing '...sure to get them...': Pride of Life; Lust of the Eyes and the Lust of the Flesh (I John 2:15-17 KJV). It worked in the Garden of Eden and like the deceptive 'New Age' which is nothing new, it worked then, and it will continue to work, now. It's the same old package to a new generation just with new wrappings. How could it go awry especially with his diabolical, first and only, offspring: The SON OF PERDITION, at the helm? 'And no marvel; for satan himself is transformed into an angel of light. Therefore it is no great thing if his ministers (demons), also be transformed as the ministers righteousness; whose end shall be according to their works' (II Corinthians 11:14-15 KJV). Read this book and see, how all of this could have come about? Riveting reading. Nina Kish

I really love this series but very disappointed 5 - 7 isn't written yet. Probably wouldn't have started if I had known because how great the story line and left hanging wondering when and if the other books are going to be written.

It must be said: Best Novel Ever. There, I said it. Having read this book 3 times already, I am thrilled to FINALLY have it on my Kindle! If you loved the first book, The Fall of Lucifer--heck, even if you hated it--you'll love this one. The slow, brooding evil that was felt throughout 'Fall' is amplified here. In this story, instead of angels, we have 3 earthly brothers that mirror the heavenly ones, but unlike the first book, all of the human brothers are imperfect, and (you guessed it) one of them is the Antichrist. Even though it's obvious from the get-go who the Son of Perdition is, it's still an exciting journey making the discovery through the characters' eyes. The way that Wendy Alec weaves her "faction" story together is nothing short of magical. It's biblical, and any fellow Christian can see that Wendy actually understands what she's writing about. When she borrows from the Bible, you can tell there's respect for the source material. Although, if you're someone who's turned off by Christian novels, don't be afraid of this one. This is written for a general audience (I think non-Christians will

enjoy the book more, actually). The characters are real and relatable, with all their imperfections glowing clear and visible. I was surprised to find that the human characters were even more interesting than the angelic ones! The ending on this one is a perfect teaser for the next installment -- Congratulations, Wendy; you've made me completely obsessed with getting my hands on the next book! If you hate cliffhanger endings that make you shout, "No way! No way! No way!" --stay away from this book. I happen to like those kinds of endings, which is why I was shouting.

the story is good. mental pictures of Heaven and Hell are great. I was overwhelmed many times as i read all 4 books. But the Biblical accuracy is totally off in every area of the books. i will list a few. Lucifer was not an archangel. the angels that fell with him and were cast out were never allowed to repent and be restored to Heaven. Lucifer would never been allowed to spit in Jesus face in Heaven before or after he concered the cross. the Rapture is put at MID Tribulation which is false. the first 3 1/2 years or 42 months were completly skipped because of ths point. Angels are immortal but they loose there heads in battle. she said that Angels entered the herd of swine. Angels can't possess anything because they have a body. the disembodied or evil spirits or demons if you will can possess these went into the swine this is every thing that died in the flood and the pre Adamite world sa mentioned in Peter. lucifier was the 5th cherib around the throne before his fall. book 2 page 284 the Angels do not walk by faith, they are already in His presence thats is also why there is no redemption for them. we walk by faith (belief in things unseen) Satan did not demand of God that Jesus fast 40 days before his temptation. Jesus did this for power from the throne. the list could go on. THIS FOLLOWS THROUGH ALL 4 BOOKS. THE BOOKS STILL HAVE THE ABILITY TO CONVICT THE SOUL FOR JESUS. IT PAINTS BEAUTIFUL PICTURES OF HEAVEN ALSO ALARMING PICTURES OF HELL I WOULD STILL HAVE MY UNSAVED LOVED ONES READ THIS SERIES. MELVIN SIMS
