# Did I Mention I Need You? (Did I Mention I Love You (DIMILY) Book 2)

## Synopsis

Love has no rules. It's been a year since Eden Munro last saw Tyler Bruce: her stepbrother...and secret love. Although they swore to ignore their feelings and put their family first, Eden can't help but feel excited when Tyler invites her to join him in New York City for the summer. But it's not like anything is going to happen. Eden is happy with her boyfriend Dean, and she knows gorgeous, green-eyed Tyler must have moved on as well. But as they spend the long, hot summer in the city that never sleeps, it becomes obvious that those old feelings are still there...simmering beneath the surface. Will Tyler and Eden be able to resist temptation? *Did I Mention I Need You?* is book two in Wattpad sensation Estelle Maskame's DIMILY trilogy: three unforgettable summers of secrets, heartbreak and forbidden romance. The DIMILY Trilogy: *Did I Mention I Love You?* (Book 1) *Did I Mention I Need You?* (Book 2) *Did I Mention I Miss You?* (Book 3)

## Customer Reviews

Forced to read it because of a bet with my niece. UGH! The female lead's moods go from 1 to 10 in

a matter of seconds and she is forgettable. I understand she is a teenager in the beginning but not the whole series. The family dynamics are poorly described. I can enjoy a good YA book but this series was hard to finish.

My 15 year old daughter loved this book. First book ever to captivate her. Worth 10 stars and worth every penny.

I was hoping to wait it out until the third book came out. But one boring summer day, and in need of a good book, I ended up buying it. From spending the day starting and finishing this book, I can honestly say I absolutely ADORED it! Can't wait for the new one to come out!

Eden and Tyler are finally got what they wanted and the it all goes down and I'm no it can't end like this not now, not after all they went through. But I can't wait till the next book comes out.

I'm addicted. This reminded me of After by Anna Todd. I really enjoyed this. At some points it was a little unrealistic but I read it for the drama not the reality.

2nd book in the series and it gave so many mixed emotions, I want to really know what will happen with Eden and Tyler??? Where is the 3rd book??? I want it now!!!!

Left the reader a bit annoyed and confused with the motives of one of the main characters. We have to read the next one to make sense of it all.

I love the highs and the lows of the book , the suspense & the tough love of Tyler & Eden. Fantastic read.
