Emanuel Law Outlines: Torts, Keyed To Prosser, Wade, Schwartz, Kelly, And Partlett

Synopsis

The most trusted name in law school outlines, Emanuel Law Outlines were developed while Steve Emanuel was a student at Harvard Law and were the first to approach each course from the point of view of the student. Invaluable for use throughout your course and again at exam time, Emanuel Law Outlines are well-correlated to all major casebooks to help you to create your own outlines. Sophisticated yet easy to understand, each guide includes both capsule and detailed explanations of critical issues, topics, and black letter law you must know to master the course. Quiz Yourself Q&As, Essay Q&As, and Exam Tips give you ample opportunity to test your knowledge throughout the semester and leading up to the exam. Every title in the series is frequently updated and reviewed against new developments and recent cases covered in the leading casebooks. Emanuel Law Outlines provide a comprehensive breakdown of the law, more sweeping than most, for your entire study process. For more than thirty years, Emanuel Law Outlines have been the most trusted name in law school outlines. Here's why: Developed by Steve Emanuel when he was a law school student at Harvard, Emanuel Law Outlines became popular with other law students and spawned an industry of reliable study aids. (Having passed the California bar as well, Steve Emanuel is now a member of the New York, Connecticut, Maryland, and Virginia bars.) Each Outline is valuable throughout the course and again at exam time. Outline chapters provide comprehensive coverage of the topics, cases, and black letter law covered in the course and major casebooks, written in a way you can easily understand. The Quiz Yourself Q&A in each chapter and the Essay Q&A at the end provide ample opportunity to test your knowledge throughout the semester. Exam Tips alert you to the issues that commonly pop up on exams and to the fact patterns commonly used to test those items. The Capsule Summary an excellent exam preparation tool provides a quick review of the key concepts covered in the course. The comprehensive coverage is more sweeping than most outlines. Each Emanuel Law Outline is correlated to the leading casebooks. Every title is frequently updated and reviewed against new developments and recent cases covered in the leading casebooks. Tight uniformity of writing style and approach means that if you use one of these guides, you can be confident that the others will be of similar quality.

Customer Reviews

Louise Emanue is a consultant child psychotherapist in the Child and Family Department of the Tavistock Clinic. She is head of the Under Fives Service and convenor of its training forum, the Infant Mental Health Workshop. She has a special interest in parent-infant interventions and parent-couple work. She is Course Organiser of the MA in Infant Mental Health and teaches on the Tavistock Clinical Training in Child and Adolescent Psychotherapy. She has lectured in Europe, Australia, South Africa and South America, and wrote the book 'Understanding your Three-Year-Old' (Tavistock Clinic 'Understanding Your Child' series).

Pretty much a life saver for torts. I am so glad I bought this! I tend to make my own outlines for classes, but this is such a useful supplement to make sure that I have grasped all the relevant information. It also puts all of the examples into perspective- in order of relevance for each element. I highly recommend purchasing this supplement if you have trouble organizing your thoughts or if you simply want a phenomenal outline to study from.

This is obviously a great resource for those whose professors teach "to the book." It also helps to fill in the numerous lacunae in PWS by quoting from the Second and Third Restatements of Torts. I found the "quiz yourself" sections and the short-but-concise capsule summary at the beginning each very useful. For me, this resource was an absolutely necessary resource for exam preparation. A few negatives: It strayed from the book in an unhelpful way by not having a separate section on Apportionment like in PWS. It's not a big section (or big issue), but the discussion of the case under the "Apportionment" section in PWS was subsumed within discussion of another issue in this outline. I don't know why. Also, at times, it tries too hard to fill in the gaps in PWS by going off on tangents. Discussion of the seat belt defense is a good example. It's barely touched on in PWS (at

least in the casebook chapters I covered), but it gets a full-page treatment in the corresponding section of this outline. I know the author is trying to be comprehensive, but it can be distracting when one is trying to find information that matches with the cases or notes in PSW. Nonetheless, this outline is highly recommended.

Limited use. Also, chapter structure doesn't completely match the keyed book, as if someone screwed up on the editing. Felt ripped off, as if a newer edition number was slapped on an older book. Contacted publisher about it, and never got a response.

It's very helpful for law school exam review

Very helpful to understand the casebook

Must have for Torts!!!!

Pros: Nicely organized. Cons: Little too verbose. Also the English needs some editing-- every now and then I find typos/grammatical errors of the kind that exist in a draft document.

Edition clearly meets my needs. There was one stray pen mark on the outside edge of the book, but I'm happy with the book because I keep them..
