American Methodism: A Compact History
In this engaging and artful overview, Russell Richey, Kenneth Rowe, and Jean Miller Schmidt, some of Methodism’s most respected teachers, give readers a vivid picture of soulful terrain of the Methodist experience in America. The authors highlight key themes and events that continue to shape the Church. Knowing their history, Methodists are better positioned, prepared, and inspired for faithful witness and holy living.

Jean Miller Schmidt is Gerald L. Schlessman Professor Emerita of Methodist Studies, The Iliff School of Theology in Denver, Colorado. (2011) Russell E. Richey is Dean Emeritus of Candler School of Theology and the William R. Cannon Distinguished Professor of Church History Emeritus in Atlanta, Georgia. Kenneth E. Rowe, a retired clergy member of the Eastern Pennsylvania Conference, the premier bibliographer of American United Methodism, was for 31 years Methodist Librarian and Professor of Church History at Drew University, as well as Professor of Church History in the Theological and Graduate Schools. He is also Emeritus Professor of Church History and Methodist Archives Librarian at Drew University Theological School in Madison, New Jersey.

Excellent history for studying and understanding American Methodism. As this is a Kindle edition, I think the addition of hyperlinks would have improved its usefulness.
An essential for anyone who calls themself a "methodist!"

Text looks to be in great shape! Can't wait to use it!

The item downloaded easily. There were no issues. There is not much more you can say about a digital download.

good

ew book

A very interesting and helpful publication. To require me to type in more words before I can submit is wack. I suggest you remove this requirement immediately.

Very difficult to read.... for the lay person simply looking for history of American Methodist, this is way too detailed -- very dry, fact filled. Unfortunately it is required for a class I'm taking. Painful.
