But Winter Solstice is finally near, and with it a hard-earned reprieve. Yet even the festive atmosphere can't keep the shadows of the past from looming. Customer Reviews

Thrilling * Hello * Sexual tension and deadly action are well supported by Maas's expertly drawn, multidimensional characters and their nuanced interpersonal dynamics * Kirkus Reviews * A gorgeously written tale as lush and romantic as it is ferocious. It's impossible not to be caught in Feyre's snare as her tremendous will and heart lead her on a journey through glimmering lands and into a terrifying, dark court of nightmares. Absolutely spellbinding * New York Times bestselling author Alexandra Bracken * Sarah J. Maas is a master storyteller. Her writing is exquisite; her characters complex, flawed and endlessly relatable and worlds all-consuming * So Many Books, So Little Time * This is a world of strong female warriors. But they retain just enough human vulnerability to warm our hearts * Jewish Chronicle * --This text refers to the Paperback edition.
